REMARKS

The Office Action of 03/12/2007 has been carefully considered. In response thereto, the claims have been amended as set forth above. Reconsideration and allowance in view of the foregoing amendments and the following remarks is respectfully requested.

Claims 1-3 and 5-10 were rejected as being unpatentable over Takagi in view of Yamada. Claim 4 was rejected as being unpatentable over the same base combination further in view of Ma. The claims have been amended to more clearly distinguish over the cited references. Reconsideration is respectfully requested.

In particular, the claims have been amended to recite that the printed coil is a spiral printed coil. No such feature is believed to be taught or suggested by the cited references.

Withdrawal of the rejections and allowance of claims 1-10 is respectfully requested.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "M. Ure", is written over a horizontal line.

Michael J. Ure, Reg. 33,089
